We may cancel all or any Thryv product or Solution in your Order at any time and for any reason (even if previously approved) and we have the right to terminate your Account if you violate the Agreement, or for any or no reason in our reasonable discretion, at any time. If your Account is terminated, you agree: (a) to continue to be bound by the terms of this Agreement that survive termination, as applicable, (b) to immediately stop accessing or using Thryv, (c) that your right to access and use Thryv immediately ends, and (d) that we reserve the right (but have no obligation, except if we have separately agreed to a BAA with you) to delete all of your information and Account data stored on our servers. You acknowledge and agree, that we are not liable to you or any third party for termination or suspension of access to your Account or for deletion of your information or Account data.
6. Charges/Billing. You agree to pay the monthly or semi-annual subscription fee and any one-time or other recurring charges listed on your Order or any subsequent invoice. You will be responsible for any taxes due associated with such fees.
Set-up fee credit-back offer: For a limited time, new Thryv clients will be eligible to receive a credit on your Thryv Account against future charges for Thryv, in the amount of the initial set-up fee you paid, if any, if you become a Daily Active User of Thryv during the first 6 months of your Thryv Subscription Period. To become a “Daily Active User” of Thryv for the purposes of this credit, you must log-in to your Thryv Account on at least 13 separate days out of a rolling 30-day period beginning

after the first 30 days of your Subscription Period and ending within the Initial 6-month Term of your Thryv Subscription Period, as measured by our systems. After you reach this milestone, and meet the other criteria (below), you will receive the account credit in the next month of your Thryv Subscription Period, and the credit will be deducted from your next month or period's charges for Thryv. Outstanding account credits may be refundable on request after the authorized end of your Thryv Subscription Period. Other criteria required to qualify for this offer: your Account must be in good standing as to payment and you must not terminate ahead of the end of your Initial Term. We reserve the right to terminate this offer at any time.

The rates specified for Thryv or add-on Thryv Solutions do not include any extra charges that may apply for any additional services that you elect, including separate charges that may apply for optional third-party applications, services or features, such as online payment processing or third-party applications that integrate with Thryv, except as otherwise provided in your Thryv package description or invoice. You agree to pay for any such services that you use or request at our standard rates or the third-party provider's specified rates.

7. Payment Terms – RECURRING AUTO PAY. If you provide us a credit card, debit card, bank account number or PayPal account, you authorize us to charge the card or account automatically at the start of each billing period for the amount of your month or semi-annual recurring charges for Thryv, plus applicable taxes, and less any account credits, until you notify us to cancel automatically recurring payments. It is your responsibility to keep your payment method information current, and you agree that your authorization for recurring payments will continue for any replacement payment information provided by you or the financial institution that provides your payment card, to the extent you have consented to have your financial institution auto-update your payment card information for recurring payees. Fees are due monthly or semi-annually (depending on which payment plan you elected at purchase), in advance, unless otherwise indicated on your Order. You agree to pay all charges in full by the billing due date. You may not withhold any payment for any reason. We may apply or offset payments from you, or monies owed to you, toward amounts owed under the Agreement or any other amounts you owe us.
8. Late Charges. We will assess, and you agree to pay, late charges on balances not paid by the due date. Late charges will begin to accrue after the due date at a rate equal to the lesser of 18% per annum or the highest lawful rate.
9. Usage and Right of Access. We grant you a non-exclusive, non-transferrable, limited, and revocable right to access and use Thryv solely through your valid Account(s) in accordance with all terms and limitations of this Agreement and any documentation we provide about Thryv features and functionality. You agree that you will not use or attempt to use Thryv for any other purpose. Among other things, you will not modify, improve, reverse engineer, decompile, disassemble, copy, merge, reroute or create derivative works of or in Thryv. You agree that you will not allow another person to use your Account or Account credentials (user name,

password, etc.) to access or use Thryv under any circumstances, except for authorized User accounts (formerly Staff Accounts) (note: you should not need to provide your Account credentials (password you use to log in) to any of our personnel in order to obtain customer service or support). A specific number of User Account credentials is included in your Thryv package/tier, and you may purchase additional User Account credentials for additional authorized users within your business as an add-on at the Plus and Professional levels of Thryv (not necessary for Unlimited). You grant us and our third-party service providers specific permission to provide, administer, monitor, track and access your Account for any administrative purposes we deem appropriate.

10. Security of Passwords/Account Transactions. You are entirely responsible for maintaining the confidentiality of your Account and any passwords or other Account credentials, including those for a User Account and for any charges, damages, liabilities or losses incurred due to your compromise of your Account credentials. You are responsible for all acts and omissions of your password users and you agree that **the conduct of any password users in clicking on any on-screen buttons, purchasing any upgrades, or engaging in any other similar conduct, will be legally sufficient for all purposes to bind you to the same extent as though evidenced by your original signature. You waive all claims or defenses that are inconsistent with the foregoing acknowledgements.** You agree to immediately notify us of any unauthorized use of your Account or any other breach of security known to you. We may revoke your password or deny you or any password user access to any administrative or other functionality, in whole or in part, at any time in our reasonable discretion, but especially if we detect any threat to the security or integrity of our systems associated with your Account.
11. Operational Limits and Changes. More information about business-type limitations is available in the Thryv Knowledge Center accessible at <https://learn.thryv.com/hc/en-us>. You understand that any information or data provided by you to us may not be processed on a real-time basis and may be subject to the latency of the Internet, our systems, third-party networks and sites. In addition, you acknowledge that wireless carriers may implement changes that delay or prohibit our provision of Thryv or a Thryv Solution. We and our service providers will not be responsible or liable for delays or non-delivery of the services caused by wireless carriers, third-party networks, internet providers or search engines. You acknowledge that the operation of Thryv, including the Solutions, may from time to time encounter technical or other problems and may not necessarily continue uninterrupted or without technical or other errors, and we shall not be responsible to you or others for any such interruptions, errors or problems or an outright discontinuance of Thryv. We will make reasonable efforts to keep the Thryv operational 24 hours a day/7 days a week, except for: (i) planned downtime; or (ii) any unavailability caused by circumstances beyond our control, including but not

limited to, acts of God, acts of government, flood, fire, earthquakes, civil unrest, acts of terror, strikes or other labor problems, third party service provider failures or delays, or Internet service provider failures or delays.

Thus, you agree that you are responsible for any use by you (or under your Account) of Thryv, including any Thryv Solution, to upload, communicate, store or solicit any sensitive personal data, and we disclaim any liability therefor. **You understand that, unless you have separately signed a Business Associate Agreement (“BAA”) with us in relation to Thryv, the standard Thryv platform is not intended to be compliant with the Health Insurance Portability and Accountability Act (HIPAA) and is not intended to be used to communicate or store “protected health information.” Accordingly, if you do share any protected health information via Thryv absent a BAA with us, you do so without our knowledge or consent and at your own risk.** Because you may have the capability to accept credit card payments using Thryv, you agree to comply with applicable Payment Card Industry Data Security Standards (“PCI DSS”) and Laws with respect to all card data, and to the extent you have the capability to accept payment via ACH debit from a bank account, you agree to comply with National Automated Clearing House Association (“NACHA”) rules, as applicable. You agree that we will have the right to collect and use the data collected about users**

from the servers used to provide the Thryv customer portals and that our collection and use of such data is subject to our Privacy Policy which is available at www.corporate.thryv.com/privacy. You agree that any privacy policy you adopt and notice you post to govern your collection and use of data from the customer portal web pages, your Thryv Website, or otherwise via Thryv must include notice that third parties such as us will collect and process data.
